

# Roller Blind Motor 1.8 Nm

## 1 year warranty

## 1.8Nm DC Tubular Motor

### Features

- Battery powered
- Bluetooth direct to a device on the Tuya Smart App
- 1 year warranty
- Completely child-safe system
- Rechargeable Li-Ion battery

**Application** Roller. Minimum Blind Width: 664mm

### Compatible Accessories

- 16ch battery operated remote
- Battery charger

<b>Voltage</b>	5V
<b>Torque</b>	1.8 N.m
<b>Max run time</b>	No limit
<b>Rated RPM</b>	25RPM
<b>Radio frequency</b>	433.92MHz
<b>RF modulation</b>	ASK
<b>Power</b>	6.7W
<b>Control methods</b>	Remote controller/bluetooth
<b>Limited switch type</b>	Electronic
<b>Current</b>	0.9A
<b>Battery</b>	3000mAh
<b>Temp working range</b>	(-10°C - 50°C)
<b>IP rating</b>	IP44
<b>Sound level</b>	≤30dB
<b>Sensitivity</b>	-110dBm
<b>Battery working time</b>	4-6 month (up/down 1 p/day)

## Battery Operated Remote Control

### Features

Equipped with ZigBee bi-directional communications technology, this remote has a minimalist, on-trend design with a piano lacquer surface finish, exuding exquisite elegance. It utilises a high-density acrylic panel for a flawless and impeccable appearance.

### Specifications

- 16-channel remote AC123-16
- Battery type: 3V CR2032
- Transmitting current: ≤18mA
- Transmitting power: ≤10mW
- Frequency: 433.92 MHz/868 MHz
- RF modulation mode: ASK/FSK
